

Living by Faith

Hebrews 11:1-6 (NET Bible)

1. What is Faith?

Hebrews 11:1

“Now faith is being sure of what we hope for, being convinced of what we do not see.”

1. What is Faith?

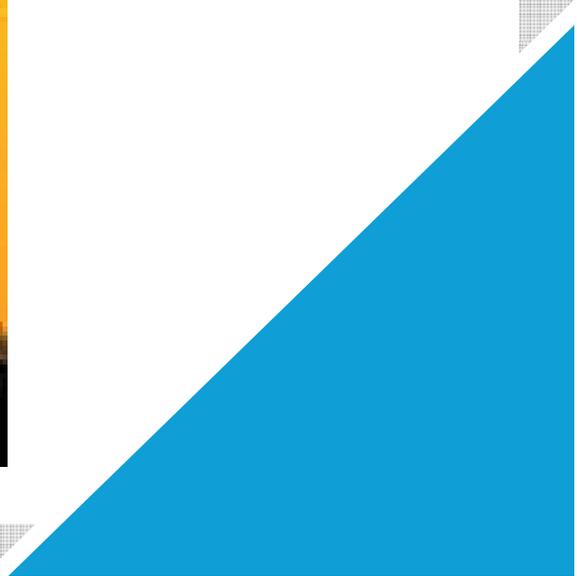

Hebrews 11:1

You may face situations where you don't know what will happen next—maybe with your job, family, or health. Faith means trusting God, even when the future is unclear. When you can't see the answer, faith reminds you that God is still working on your behalf.

2. Faith Pleases God

Hebrews 11:2, 6

“Now without faith, it is impossible to please Him, for the one who approaches God must believe that He exists and that He rewards those who seek Him.”

3. Faith in Action: Examples of Faith

Hebrews 11:4-5

Hebrews 11:4-5 gives two examples of people who lived by faith:

- Abel brought a better offering to God because of his faith.
- Enoch pleased God so much through his faith that God took him to heaven without dying.

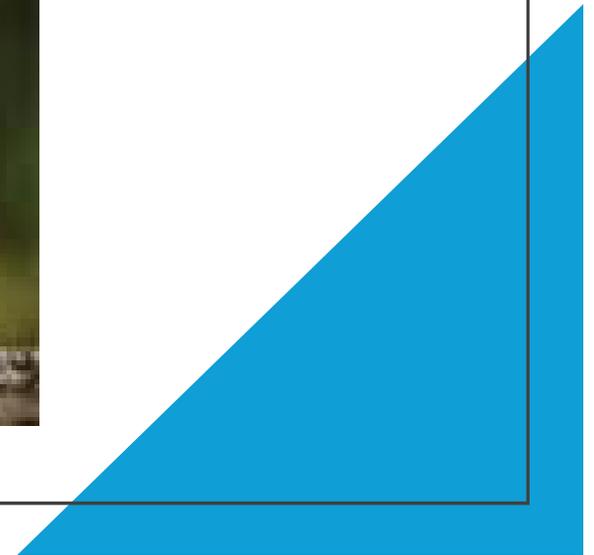

3. Faith in Action: Examples of Faith

Hebrews 11:4-5

How can you live out your faith today? Maybe it's through helping someone in need, trusting that God will provide for you. Perhaps it's through sharing your faith with a friend, even when it feels uncomfortable. **Living by faith means letting your actions reflect your trust in God, just like Abel and Enoch.**

4. Faith in Our Daily Lives

Living by faith is not just something for the people in the Bible—it's for us today. Faith should shape how we live our lives every day. It affects our decisions, relationships, and how we respond to challenges. Faith helps us keep our eyes on God, even when things are hard.

Challenges for this week

- Trust God with the things you cannot control.
- Show your faith through your actions.
- Seek God daily, believing He will reward those earnestly seeking Him.
